RE: New Southeast Regional Manager

Team Affinis takes great pleasure in announcing the promotion of Adriene Standeford to the position of Southeast Regional Sales Manager for all Affinis brands.

Adriene brings to the position a wealth of expertise and industry experience. She began her career in customer service at Prolon Plastics Company in 2004. She has been in Indianapolis for the past ten years doing an exemplary job as Customer Service Manager for Affinis. Her knowledge of Affinis, its products, and customers is second to none.

While she has loved her stay in the Midwest she will be relocating to the greater Nashville area to be in the midst of her territory where she can better support her customers. Originally from Mississippi Adriene is looking forward to being back in the south.

Adriene loves to travel. She enjoys the outdoors, especially the North Woods. She is also an avid reader. She lives with her husband Joe and her two dogs Cooper and Louie.

Please join with all of us at Affinis as we wish Adriene great success in her new adventure. We know she will be an awesome asset to the team as we continue to grow our business.

Sincerely,

Steve Wright
Vice President of Sales
